Subject index

NB Page numbers prefixed S = Supplement

Abdomen
Abdominal aortic aneurysm: a preventable cause of death?, 284
Management of urgent intact abdominal aortic aneurysms, 80
Abdomen – pain
Evaluation of upper gastrointestinal endoscopy as a primary investigation in patients with acute upper abdominal pain, 7
Abdomen – tumour
Role of surgery in the treatment of pseudomyxoma peritonei, 21
Ablation
Randomized, prospective study of nail bed ablation for recurrent ingrowing toenails, 240
Abscess
Rational approach to therapy in splenic abscess, 154
Access
Direct cephalic vein cannulation for safe subclavian access, 218
Implantation of a central venous access device, 252
Acute
Acute retention of urine: is trial without catheter justified?, 225
Alkaptonuria
Bilateral hip arthroplasty in alkaptonuria, 116
Amputation
Place of transmetatarsal amputations: a 5-year experience and review of the literature, 113
Anastomosis
Intraoperative testing of anastomotic integrity after stapled anterior resection for cancer, 106
Aneurysm
Abdominal aortic aneurysm: a preventable cause of death?, 284
Bacteriology of aortic aneurysm sac contents, 42
Management of urgent intact abdominal aortic aneurysms, 80
Angioplasty
Peripheral laser assisted angioplasty: results, complications and follow-up, 75
Antibiotic prophylaxis
Prospective comparative study of cefotan with piperacillin for prophylaxis against infection in elective colorectal surgery, 29
Aorta
Bacteriology of aortic aneurysm sac contents, 42
Appendicitis
Caecostomy in the management of the sloughed appendix: a report of two cases, 311
Perforated appendicitis – The Malaysian experience, 83
Appendix
Primary adenocarcinoma of the appendix, 33
Arterial reconstruction
Arterial reconstruction for upper limb ischaemia: an alternative technique, 151
Arteriovenous
Management of congenital arteriovenous malformations, 39
Spontaneous arteriovenous fistula between the common iliac vessels secondary to aneurysmal disease, 185
Arthroplasty
Bilateral hip arthroplasty in alkaptonuria, 116
Assessment
Recent developments in drug abuse and doping control in sport, S2
Value of physiological measurement in sport, S7
Atresia
Colonic atresia: current results of treatment, 25

Bacteria
Bacterial colonization of the skin after chemical depilation, 243
Blood flow
Progress in the assessment of liver blood flow in health and disease, 207
Bone
Femoral head sclerosis as a presentation of reticulum cell sarcoma of the femoral neck, 196
Plasmocytoma of the patella, 195
Ten-year experience of bone and joint tuberculosis in Blackburn 1978-1987, 259
Bowel
Assessment of bowel viability using oximetry, 388
Bowel preparation or not for elective colorectal surgery, 169
Breast – benign
Benign breast tumours in an African population, 373
Breast – malignant
Density of lymphocytic infiltration of primary breast cancer does not affect short-term disease-free interval or survival, 289
Breast – surgery
Appraisal of breast reconstruction with the tissue expansion technique, 4
Cosmetic results of early breast carcinoma treated with wide local excision, external beam radiotherapy and iridium-192 boost, 175

Caecostomy
Caecostomy in the management of the sloughed appendix: a report of two cases, 311
Caecum
Carcinoma of the caecum, 88
Carcinoma
Carcinoma of the caecum, 88
Cosmetic results of early breast carcinoma treated with wide local excision, external beam radiotherapy and iridium-192 boost, 175
Early gastric cancer: a report of 30 cases, 237
Hartmann's procedure for carcinoma of rectum and distal sigmoid colon: 5-year audit, 166
Metastatic squamous carcinoma of the anterior uvea: clinicopathological report, 312
Oesophageal carcinoma: the view from East Birmingham, 279
Primary adenocarcinoma of the appendix, 33
Carotid
Carotid body tumour: report of six cases and a review of management, 172
Chemotherapy
Six-month combination chemotherapy for cervical tuberculous lymphadenitis, 293
Chest
Primary bony chest wall tumours, 44
Circumcision
A circumcision template, 192
Cleft lip
Late management of cleft lip and palate problems: a joint orthodontic/surgical approach, 376
Colon
Colonic atresia: current results of treatment, 25
Hartmann's procedure for carcinoma of rectum and distal sigmoid colon: 5-year audit, 166
Obstructed left colon: one-stage surgery in a developing country, 360
Preparation of the bowel before elective surgery using a polyethylene glycol solution at home and in hospital compared with conventional preparation using magnesium sulphate, 16
Colorectal – surgery
What's new in colorectal surgery, 69
Colostomy
Pericolostomy varices, 109
Congenital
Late management of cleft lip and palate problems: a joint orthodontic/surgical approach, 376
Management of congenital arteriovenous malformations, 39
Consent
Informed consent: can we educate patients?, 308
Cystic hygroma
Cystic hygroma in Saudi Arabian children, 178
Cysts
Omental and mesenteric cysts in Nigerian children, 181

Depilation
Bacterial colonization of the skin after chemical depilation, 243
Diaphragm
Survival following repair of bilateral diaphragmatic hernia, 389
Diarrhoea
Towards selecting the vagotomy and avoiding diarrhoea, 11

Diverticulum
Duodenal diverticula: a potential cause of morbidity during cholecystectomy, 186
Drug
Recent developments in drug abuse and doping control in sport, S2
Duodenal Ulcer
Impact of H_2 receptor antagonists on the outcome of treatment of perforated duodenal ulcer, 348
Perforated duodenal ulcer in elderly patients, 93
Duodenum
Duodenal diverticula: a potential cause of morbidity during cholecystectomy, 186
Dysplasia
Thoracic outlet syndrome due to monostic fibrous dysplasia of the first rib, 111

Education
Informed consent: can we educate patients?, 308
Elbow
Injuries to the elbow, S31
Electrocautery
Electrosurgical skin incision *versus* conventional scalpel: a prospective trial, 299
Endoscopy
An endoscopic extraction technique for displaced Atkinson prostheses, 315
Evaluation of upper gastrointestinal endoscopy as a primary investigation in patients with acute upper abdominal pain, 7
Incidence of *Campylobacter pylori* in a consecutive series of surgical patients referred for endoscopy, 296
Epididymis
Adenomatoid, or mesothelial, tumour of the epididymis, 390

Fibrous
Thoracic outlet syndrome due to monostic fibrous dysplasia of the first rib, 111
Finger
Gangrenous fingers: the tip of the iceberg, 71
Fistula
Spontaneous arteriovenous fistula between the common iliac vessels secondary to aneurysmal disease, 185
Spontaneous duodenocoloic fistula, 253
Foot
Modified McBride's procedure: long-term results, 317
Fracture
A review of displaced olecranon fractures treated conservatively, 392
Fracture-dislocation of the cervical spine: complication of traditional Zulu dancing, 266
Fractures of the humerus, S27
Humeral shaft fracture and arm-wrestling, 264
Fundoplication
Long-term results after Nissen fundoplication: a 5–15 year review, 159

Gangrene
Gangrenous fingers: the tip of the iceberg, 71
Gastrointestinal disease
Primary gastrointestinal non-Hodgkin's lymphoma: a study of 35 patients, 231
Gastrostomy
Percutaneous gastrostomy: a simpler technique, 391
Grafting
Grafting without a donor site: an easy approach to pretibial lacerations, 245

H_2-blockers
Impact of H_2 receptor antagonists on the outcome of treatment of perforated duodenal ulcer, 348
Haemorrhage
Casualty officers under-estimate the blood loss from fractures, 320
Hand
Upper limb injuries in elite rock climbers, S18
Hartmann
Hartmann's procedure for carcinoma of rectum and distal sigmoid colon: 5-year audit, 166
Hernia
Survival following repair of bilateral diaphragmatic hernia, 389
Hip
Method for removal of the fractured stem in total hip replacement, 61
Humerus
Fractures of the humerus, S27
Hypospadias
Repair of coronal and subcoronal hypospadias: an 8-year retrospective study, 228

Immunology
What's new in surgical oncology: impact of immunology and tumour bilogy, 341
Incision
Electrosurgical skin incision *versus* conventional scalpel: a prospective trial, 299
Infection
Brucellosis of the spine, 395
Incidence of *Campylobacter pylori* in a consecutive series of surgical patients referred for endoscopy, 296
Questionnaire identification of surgical patients at risk of HIV infection, 305
Intestinal
Non-operative management of malignant intestinal obstruction, 369
Intramedullary
Grosse and Kempf locked intramedullary nailing: an improved distal locking screw drill guide, 61
Intussusception
False positive diagnosis of intussusception in the older child by contrast enema, 188
Intussusception complicating the use of a Jones tube, 109
Ischaemia
Arterial reconstruction for upper limb ischaemia: an alternative technique, 151
Risk factors in patients with ischaemic rest pain of the lower limbs, 221

Joint
Locking of the metacarpophalangeal joint, 267
Ten-year experience of bone and joint tuberculosis in Blackburn 1978-1987, 259

Knee
GUEPAR total knee prosthesis, 56

Laparoscopy
Minimal access surgery: the birth of a new era, 345
Laser
Peripheral laser assisted angioplasty: results, complications and follow-up, 75
Leg
Compartment syndromes of the lower limb, S33
Limb
Humeral shaft fracture and arm-wrestling, 264
Lithotripsy
Is long distance lithotripsy effective?, 48
Liver
Progress in the assessment of liver blood flow in health and disease, 207
Lymph node
Six-month combination chemotherapy for cervical tuberculous lymphadenitis, 293
Lymphoma
Primary gastrointestinal non-Hodgkin's lymphoma: a study of 35 patients, 231

Malformation
Management of congenital arteriovenous malformations, 39
Malignant
Non-operative management of malignant intestinal obstruction, 369
Mediastinoscopy
Role of mediastinoscopy in the diagnosis of mediastinal masses, 98
Mesentery
Omental and mesenteric cysts in Nigerian children, 181
Mortality
Abdominal aortic aneurysm: a preventable cause of death?, 284
Muscle
Compartment syndromes of the lower limb, S33
Muscle injuries, S14
Nail bed
Randomized, prospective study of nail bed ablation for recurrent ingrowing toenails, 240
Nailing
